

Masters International Short Track Games Amsterdam 2023

Bulletin no. 16

20-04-2023

Opening Ceremony & Award Presentation

Time schedule:	08.00	skaters lounge open/ breakfast
	09.00-09.44	warming up
	10.00-10.45	Opening Ceremony Ice resurface
	11.00	start of competition

Immediately after the warming up sessions the Opening Ceremony will be held.

All skaters have to line up with their skates on, at the short side of the Ice rink near the heatbox under the sign of the country/club hanging on the wall.

When the music starts the countries/clubs will be called one by one on the ice through the special entrance. (take of your blade protections as quick as possible!).

If you have a club flag with you then please take this with you on the ice.

On the ice you will do a lap of honour pointed out by the floor managers and line up club by club on the center line of the Ice.

When all skaters are on the ice the National Anthem of the Netherlands will be Played and then photos can be made of all skaters together on the Ice.

After the ceremony skaters leave the Ice in the same routing and then the resurface of the Ice will take place.

Medal Presentation

At the end of the second day the award presentation of the first and the second distance will take place. We request all skaters at the end of the competition program to be ready; or to receive a medal or to applaud for the medal winners.
