

Oberstdorf Shorttrack Summercamp 2020

Bulletin no. 2

31 July 2020

Corona measures Oberstdorf Shorttrack Summercamp

Due to the Corona crisis the German Government and the Sports Ministerium have taken a number of measures in order to keep the Region as safe as possible. We are very happy that under these circumstances it still is possible to organize the Oberstdorf Shorttrack Summercamp 2020. But it does mean that all attendants of the Summercamp must do their utmost best to behave in a safe way. It gives us all a big responsibility. For this reason we request all attendants of the summercamp including the family members to help us with this and obey all the special measures as good as possible. The main important item is to stay away from big groups of people coming together. So we ask everybody to NOT come together in big groups. If it is too crowded at a certain moment at a certain place then please leave and come back later! You can find the most important rules in this bulletin.

In Germany and Oberstdorf everybody has to wear a face mask in all shops, at Gas Stations, Restaurants (until you sit at your table), Public Buildings, Public Transport and also the Ice rink.

In Open air people must stay at a distance of each other of 1,5 meter. If the 1,5 meter is not possible a face mask must be worn.

Sitting at a table together is only allowed for a family or household living together (here in Oberstdorf) in the same building, Camper or camping.

Sitting in a restaurant or at a terrace at a table and need to go to the toilet, you have to put your face mask on again until you are back at your own table.

Only skaters are allowed to go into the Ice rink for the training sessions. Parents are NOT allowed into the Ice rink. Parents have to help little kids putting on their skates outside the Ice rink.

In the Ice rink one way corridors have been made for all people who are going to skate on the ice. When you enter the building you have to wear your face mask. At the door of the Ice rink you sterilize your hands and then you are allowed to take off your face mask.

Skaters go at the appointed side on the ice and bring their clothes and blade guards to the other side. After the training skaters leave the Ice on that other side and follow the one way routing to leave the building through the separate exit!

While leaving the building through the separate exit skaters have to wear their face mask again until back outside into the Open air.

How to deal with a question about health

In case of possible illness all skaters and family attending the Oberstdorf Shorttrack Summercamp have to follow the understated procedure (which has been layed down by the Government of Oberstdorf) .

In case of infection symptoms which are similar to Corona-symptoms like:

- fever
- red or sore throat
- diarrhoea
- pneumonia / problems with breathing
- loss of taste / loss of sense of taste

Stay in your apartment/hotel room, don't come to the Ice rink, don't meet other people. Contact immediately the Corona Coordinator of the summercamp:

Mr Folkert Brouwers: +31-614-323009

If after checking your situation a Corona-test/Covid-19 test is necessary, this test can be done

From Monday 8.00 hours until Friday 12.00 hours in the practice of

Dr. Jan Tauscher

Wednesday	8.00 – 11.00
Thursday	8.00 – 12.00
Friday	8.00 – 12.0

Please contact the practice of Dr. Tauscher first by phone-call before entering the practice to make an appointment.

In case you need to go there direct one accompanying person should go inside to inform the personal that the sick person is waiting outside to get further information.

From Friday 12.00 until Sunday late evening , also on Wednesday afternoon ,

contact the medical on duty service which can be reached 24 hours
Tel-number 116117 (+49-116117).

They will give you further instructions where to go to.

In case you have received a Corona-Test the sick person and all accompanying persons with him in the same apartment/living with this person together in Oberstdorf, have to stay in quarantine until the result from the Corona-Test is known and is negative.

If, in case of a Corona-infection, you don't follow these instructions, very high sentence/ financial punishment can be given by the Government.

In case of quarantine the Summercamp group will organize for you all necessary belongings.
