

# Oberstdorf Shorttrack Summercamp 2024

Bulletin no. 3

Saturday 20 July 2024

## Request for Volunteers

During the Summercamp a lot of work has to be done to make it successful for the skaters. For this we request volunteers to help us. In this bulletin we give an overview of the most necessary work to be done. If you want to help then please inform us by using the [Questionnaire & Entry form](#). An overview of all the volunteer jobs can be seen on the mobile website page [Volunteers](#). We do thank you for your support.

### First Aid

For First Aid during the ice training we would like to have 1 First Aid person at every session in the ice rink. Best is from every age group at least 1 person for First Aid. For the Mountain Run and Biathlon we also would like to ask these people to help during their own age group. We also are looking for a Coördinator First Aid doing the planning for the whole week. For the Shorttrack competition this is not necessary because the Red Cross of Oberstdorf is than taking care of the medical service.

### Safety padding

The safety padding can stay several days on the ice, but still sometimes it has to be put on the ice or taken of again. Everybody at that time in the ice rink will help, but we need a few people who want to coordinate this and check if the padding is put into the correct way on the ice.

### Skate Repair/bending/rocker team

We need a few volunteers who, besides the trainers, can help with technical support of the skates and perhaps do some bending en rockers of the blades. This is on Saturday afternoon checking all the skates. It would be great if during the week these people are also available to solve technical problems of the skaters skates. Question is who brings a Rocker/sharpening machine?

### Welcome Barbecue: Sett up tables/benches

At arrival on Saturday we need to start immediately with setting up the tables and benches. We request as much as possible people to help with this. We also are looking for a coordinator for this.

### Welcome Barbecue: food handing out team

During the Welcome Barbecue a catering company will prepare all the meat and food, but we need volunteers to help handing this out.

### Welcome Barbecue: drinks handing out team

During the Welcome Barbecue we need to hand out all the drinks from the drinks counter; for this we also need some volunteers.

### Padding Repair team

The Summercamp is a big user of the padding of Oberstdorf. For this reason we need to help also repairing the mats. For this reason we are looking for some technical people who can help us with repair of some mats. We want to try to do this on Sunday during the training sessions.

### Mountain Run & Biathlon

For these events we have all kinds of jobs which have to be done. So please register yourself in the Questionnaire Form if you want to help.
