

Oberstdorf Shorttrack Summercamp 2024

Bulletin no. 6

Friday 2 August 2024

Tourist Tax free for skaters

If you are staying in Oberstdorf your hotel, apartment or camping is charging you Tourist Tax or in German Kur-tax.

Because the skaters entered for the Oberstdorf Shorttrack Summercamp are here for a Sportive event they don't have to pay this Tourist Tax. This is only possible for officially entered skaters, coaches and team leaders.

If you want to get a deduction on the Tourist Tax, you have to ask your hotel, apartment or Camping to give you the special form what is available for this. With this form you go to the Ice rink ticket box and ask them to fill in and sign this form.

You then return the filled-in form to your Hotel, Apartment or Camping and they will then not charge you the Tourist Tax.

If you use this free of Tourist Tax you cannot get a free or discount card for the Cable Cars of Oberstdorf. So decide for yourself what gives you the most profit not paying the tax or paying it and getting free travel or discount on travel with the Cable Cars.
