

# Oberstdorf Shorttrack Summercamp 2024

**Bulletin no. 08**

**Saturday 3 August 2024**

## **General Information Summercamp**

### **Mobile Website**

All information, urgent messages, requests for volunteers etc will be published on the mobile website of [Skatingonline.info](https://www.skatingonline.info). We request everybody to put the link on your mobile phone and to look on regular basis on this website for the latest information.

### **Composition of training groups**

The Composition of the Training Groups will be published on Saturday and is evaluated with the trainers. It is not allowed to change from Training Group or session by yourself. If necessary to change from group the trainer will discuss this with the Organising Committee and after decision inform the skater about this.

### **Ice training schedule**

The schedule for the on ice training sessions can be found on the mobile website under the link **ICE TIME**.

### **No Bikes in Icerink**

It is NOT allowed to take bikes into the Icerink during the training sessions. Bikes must stay outside the building.

### **Accreditation card**

All skaters will receive an accreditation card. This card must be shown automatically to the cashier at entering the Icerink (she does not have to ask for it). Parents can enter with their children without a card.

### **Safety padding**

The Safety padding must be put on the ice and taken off several times during the week. Please look into the Ice Training Schedule when this has to be done. We ask as much as possible volunteers to help with this.

### **Volunteer jobs published on the Mobile Website**

We request all family members of skaters to look at the Mobile Website about volunteer jobs which have not yet been filled in. We do thank all people who help as a volunteer running the Oberstdorf Shorttrack Summercamp.

### **Recreational runners**

Saturday afternoon is the last possibility for recreational runners to register for the Mountain Run and Biathlon.
