Bulletin no. 21

Sunday 11 August 2024

## Lost & Found

The most of the Summercamp years lots of articles have been lost and found. This year it only was a few. In this bulletin we show pictures of the articles which have been found. No other articles were left alone at the Ice rink after the competition. If you lost something else then what is found, it could be possible it is mistakenly taking by somebody else. If you send us a message we will make an extra bulletin for this in 2 weeks.
