Review Oberstdorf Shorttrack Summercamp 2024

With this bulletin are we at the end of the 2024 edition of the Oberstdorf Shorttrack Summercamp. It was the 13th year in row that we came together in Oberstdorf.

More then 200 skaters from 38 clubs out of 12 countries attended this year the Summercamp. We used over 80 hours of Ice time. In Total with the family coming with the skaters we had 5707 overnight stays in the region of Oberstdorf.

We would like to thank the Eissport Club Oberstdorf, the Sport Office of the City of Oberstdorf and the staff of the Ice rink of Oberstdorf for their great support we have for many years already.

We also would like to thank our trainers and officials for all the work they did during the week for training and organising all events.

And of course we also thank all the parents and volunteers who helped us during the whole week.

We hope you had a good travel back home or still a good holliday and lets meet again next year at the 14th edition of the Oberstdorf Shorttrack Summercamp.
