

Oberstdorf Shorttrack Summercamp 2025

Bulletin no. 5

12 July 2025

Request for Volunteers & Clinics

In order to make the Summercamp for the Skaters succesful a lot of work has to been done. For this we request all available people to help us. In this bulletin we give an overview of the most necessary work to be done. We do thank you for your support.

Please Register yourself as a volunteer in the Volunteer Registration Form on the website [Skatingonline.info](https://www.skatingonline.info) page Info/Entry Procedure. Click the name of your (oldest) skater and use as password the birth date (YYYYMMDD).

First Aid

A first-aid person at every training session. At the Mountain Run and Biathlon per age-category 2 persons. We also look for a coordinator for first-aid.

Safety padding

setting up safety padding on Saturday evening in 2 Ice rinks. Checking the safety padding during the week. We also look for a coordinator for this.

Skate check/Repair

on Saturday afternoon checking all the skates together with the trainers. Helping skaters with technical problems during the week. If possible assisting with bending/rockers of the skates. Question is who can bring a Rocker/sharpening machine?

Welcome Party
