

Oberstdorf Shorttrack Summercamp 2025

Bulletin no. 18

5 August 2025

Free ticket

All skaters received with their tickets a special ticket with a question-mark. This ticket is for a special present. This year it is the 14th edition of the Oberstdorf Shorttrack Summercamp. Before Oberstdorf we organized the Summercamp 26 years in Chamonix-France. So that makes this year's edition the 40st Shorttrack Summercamp on a row. To celebrate this all skaters will get a free Ice cream!

To collect your free Ice cream you have to go Wednesday afternoon to Greec restaurant ElGreco-Ladea. The owner of this restaurant has

been a shorttrack skater and trainer of the Eis Club Oberstdorf himself. Don't forget to bring your ticket. ElGreco-Lade will give you a free Ice cream for this.
